

The Perfect Easter Bunny

Purchase a toy bunny for Easter.
Adopt a pet rabbit for life!

A toy bunny....

- Doesn't need daily attention or exercise
- Doesn't need to be spayed or neutered
- Doesn't even need hay or fresh greens
- Best of all, a toy bunny won't need to depend upon you for the next 10+ years!

If you have decided that a rabbit is the right pet for your family and are ready for a real "live" commitment, contact the House Rabbit Society at 619-718-7777 or visit us on the web at www.sandiegorabbits.org.
